## **FIELDMEN**

Allan C. Atlason, Secretary, American Shorthorn Breeders Association

Albert J. Hamann, The Shorthorn World

Clem Larson, American Shorthorn Breeders Association

Thos. W. Sherlock, Wallaces Farmer & Iowa Homestead

Arden Aegerter, Corn Belt Farm Dailies

Auctioneer: J. E. Halsey, Des Moines, Iowa

**ALBERT J. HAMANN, SALE MANAGER**

**Rock Rapids, Iowa**

## GENERAL INFORMATION

---

**LOCATION**—The sale will be held at the Swanson farm, 1½ miles South of Superior, Iowa, on gravel road. Superior is 7 miles West of Estherville, Iowa, on Highway No. 9. Estherville is on the Rock Island Railroad.

**TIME**—This sale is a complete dispersion. Many cows will sell with calves at foot. Due to the large number to be sold the sale will start promptly at **12:00 o'clock Noon**, Central Standard Time, on **Thursday, October 8, 1953**. Lunch will be served at the farm.

**TRANSPORTATION**—The sale headquarters will be the **Gardston Hotel, Estherville, Iowa**. Accordingly, we suggest that those traveling from a distance should make reservations in advance. First class motels are also available. For those arriving by plane, arrangements can be made to meet Braniff airline flights either at Sioux City, Iowa, Sioux Falls, So. Dak., or Mason City, Iowa. Northwestern trains can be met at Sibley, Iowa, and Milwaukee trains at Spencer, Iowa.

**INSPECTION**—All cattle may be inspected any time at Swanson Farm prior to the sale, and any information will be gladly given.

**TRUCKERS**—Reliable truckers will be available and we will assist in securing trucks at reasonable prices.

**AUCTIONEER**—J. E. Halsey, Des Moines, Iowa.

**SALE MANAGER**—Albert J. Hamann, Rock Rapids, Iowa.

**MAIL BIDS**—We want you to come to this sale in person if it is possible for you to do so because this herd must be seen to be fully appreciated. If such a trip is not possible, however, you may send mail bids to any of the following reliable men:

ALLAN C. ATLASON, Sec'y, American Shorthorn Breeders Assn.,  
7 Dexter Park Ave., Chicago 9, Illinois.

ALBERT J. HAMANN, The Shorthorn World, Rock Rapids, Iowa.

CLEM LARSON, Fieldman, American Shorthorn Breeders Assn.,  
Callender, Iowa.

THOS. W. SHERLOCK, Wallaces Farmer & Iowa Homestead, Oxford, Iowa.

ARDEN AEGERTER of Omaha Journal Stockman, Seward, Nebraska.

J. E. HALSEY, Auctioneer, Box 1317, Des Moines, Iowa.

Last minute mail or message to any of the above should be addressed in care of Harry Swanson, Estherville, Iowa; Phone, Superior 35F15.

**Make your plans to attend the Metz Bros. Dispersion, Holstein, Iowa, the following day, October 9th, also.**

MUCH TO OUR REGRET, we find it necessary to disperse our Shorthorn herd because the Swanson Farm has been sold. Therefore, we are moving to a new location with a smaller and different operation which means we must sell our entire large herd. However, it is our hope to some day again breed Shorthorns.

The present Shorthorn herd was originally established in 1921. However, Shorthorns have been a part of this farm since 1900. To the original foundation, improving seed stock has been continually added. Good bulls have always been a must. The cow herd has always been rigidly culled, and only choice females added.

We have endeavored to produce Shorthorns of the most approved beef type. We have demanded individuality and beef conformation, and have always placed much emphasis on the most popular and proven bloodlines, whether it meant finding these in the United States, Canada or Scotland.

Some of the early herd sires used were the tops of their times. However, we point with pride to the sires used the last decade or more because we feel they have definitely made a contribution to the Shorthorn breed. We believe the two greatest, Sandoon Captivator and Calrossie Outlook, are now in service and will sell. After studying their pedigrees and footnotes, we believe you will agree these are the choicest bloodlines Scotland has to offer.

In addition to the dependable brood cows raised in the herd, we are proud of the dozen choicely bred females we added to the herd in the last five years. They were obtained from the most prominent herds in the United States and Canada.

This has always been a producing herd and, as the footnotes show, all the calves at foot and all the females heavy in calf will bear this out. This herd is now at the peak of production.

Due to our regular production sales, our herd has been periodically tested for T. B. and Bangs, and always tested clean.

Although much could be said, we feel the successive generations of productive families, factual footnotes and descriptions present a true and proven record. We do wish to point out that these great breeding females and herd bulls would have never been for sale were it not necessary to disperse.

Many prominent breeders today have built their herds with foundation stock secured from our herd. Many commercial raisers have successfully used our bulls. Therefore, we believe our customers of many years standing are our best recommendation.

We sincerely hope the many friends we have made among Shorthorn breeders and livestock people will avail themselves of this opportunity to secure the benefit of many years of constructive breeding by being with us on sale day and take home some of these cattle that we can honestly recommend.

HARRY L. AND ESTELLA SWANSON.

## TERMS AND CONDITIONS

1. The terms of this sale are cash. Each animal will be at purchaser's risk as soon as bid off, but will not be delivered until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge but at the purchaser's risk of loss or injury.

2. All cattle are absolutely healthy in every respect and will have passed the tuberculosis and Bangs disease tests within thirty days of the sale. Health certificates will be furnished where required to ship into any state or territory.

3. Certificate of registry with transfers entered and recorded in the buyer's name will be furnished with each lot sold and an application will be furnished for every calf at foot and every calf carried in dam.

4. The Swanson Herd is backed by an enviable reputation gained through good management and honest business practices. The pedigrees are correct and the cattle are healthy.

Nearly every cow in the herd either has a calf at foot or shows every evidence of being well forward in calf. As this is a dispersion sale, no guarantee will be given **except in the case of the two herd bulls, Sandoon Captivator and Calrossie Outlook.** The owners will guarantee Sandoon Captivator and Calrossie Outlook to be breeders if they are not allowed to run with the herd, and if they are maintained in as good condition as when purchased. In case they fail to prove breeders, notice must be given within 6 months of the date of the sale. Purchase price without interest will be refunded in case **Sandoon Captivator** and **Calrossie Outlook** fail to meet this guarantee, and the disposal of these animals will be at the option of the seller.

5. The above terms constitute a joint contract between Harry L. and Estella Swanson, the sellers, and the buyer of each lot. Neither the Sale Manager nor the person delegated as Clerk assumes any liability, legal or otherwise.

6. Although we will use every precaution to provide for the comfort and safety of our guests, all persons who attend this sale do so at their own risk and the owners assume no liability, legal or otherwise, for any accidents that may occur.

## DISPERSION OF THE HARRY L. AND ESTELLA SWANSON HERD

offers at public auction a Shorthorn herd that has been built over a period of thirty-two years on the sound foundation of breeding superior beef cattle through the mating of superior individuals backed by the best bloodlines of proven ancestry in the breed.

This is one of the larger and considerably above the average Shorthorn herds in the country. In addition to the sound foundation, Harry and Estella Swanson have spent a great deal of time, effort, travel and money to select herd sires and replacement females that were equal to the best.

From the time this herd was established, a constructive breeding program has been carried out. Mentioning the herd sires used will bear this out. Starting with Browndale bred bulls, they were Brawith Gold Nugget; N U Royal Nugget; Divide Defender 2d; the Canadian bred bulls Scotsdale Ballast and Scotsdale Broadboy; the Scottish bred bulls Scotsdale Admiration, Scotsdale Baron, Sandoon Captivator and Calrossie Outlook. A study of the pedigrees and footnotes will show these were the best individuals and proven bloodlines that could be found. Scotsdale Broadboy, Sandoon Captivator and Calrossie Outlook are now in service and will sell. Again the footnotes will tell the splendid breeding record they have made.

**Sandoon Captivator** and **Calrossie Outlook** are probably the two best bulls ever used in this herd, and as good as used in the best of herds. **Offered at auction** in this sale, **sound** in every way and **guaranteed breeders**, they are outstanding attractions, and the best of herds can settle their herd bull problem here with proven sires such as are only offered in dispersion sales.

The cow herd has always been rigidly culled and only females with quality and breeding from the best herds have been added.

One of the strongest recommendations of this herd is the foundation herds they have made available to others. Elbert Williams of Medicine Lake, Montana, selected eleven top heifers in their 1947 sale and produced a \$1,000 bull in the Montana State Sale. Byron Reser, Walla Walla, Washington, selected eight top heifers in their 1949 sale. One heifer produced two Inland Empire champions and tops at \$1825 and \$2125, respectively. John Hooker, Merced, California, obtained females in the same sale. Black Belt Farms, Snowdoun, Alabama, selected ten top heifers in the 1952 sale. Other breeders in many states have made like selections with equal success.

We all regret to see this large sound herd dispersed but I strongly recommend this outstanding, beautifully bred seed stock to all who wish to make progress in the Shorthorn business.

ALBERT J. HAMANN, Sale Manager.

**CALROSSIE OUTLOOK**—One of the best bulls ever used in the Swanson herd, both as to individuality and breeding. He sells. This great imported bull was acquired in 1951. He is a son of one of the most noted bulls in Scotland, Calrossie Welcome, who sired the 1952 Perth Supreme Champion, the sale top and 9 sons that averaged \$12,000. His dam is by the noted Kirkton Baronet. Twenty-five females in our 1952 sale carrying his service averaged over \$600. Four good sons, 6 outstanding daughters, and 54 females with calves by or carrying his service sell. Guaranteed breeder.

**SCOTSDALE BROADBOY**—A thick, rugged bull that has been used successfully in the herd and sells with the best of recommendation. His pedigree contains the best bloodlines of Scotland and Canada. He is a halfbrother to Scotsdale Bombardier, the 1948 International Champion bull, being by the same sire, the noted OAC Mayflower's Ransom. His dam is an imported granddaughter of Calrossie Randolph. He is a proven sire as his daughters sold well in our 1952 sale, one being third high selling female. A son was reserve champion and third high selling bull in the 1953 Tri-State Sale. Seven of his daughters sell.

Victoria Dana 1651892  
Roan, John Swanson & Sons

**VICTORIA DANA 23d**—A foundation Victoria cow that has been one of our best. Line bred in the blood of the Highland Champion, Brawith Boy. She has probably been our most valuable producer. This family is a descendant of the Dean Willis Victorias'. She is the dam of Victoria Dana 24th S B that topped our 1949 sale at \$1500 going to Byron D. Reser of Walla Walla, Washington, in which herd she has made a great brood cow. In addition, daughters and granddaughters of this cow have been retained in our herd. A good cow in the prime of life, she sells with a red June heifer calf at foot by Calrossie Outlook and is re-bred to Sandoon Captivator, a combination that will be hard to duplicate.

**HILLBROOK CLARA 40th**—This cow has been considered by many one of the great cows of the Shorthorn breed. She is sired by the Denver Grand Champion, N U Gold Nugget, and out of Hillbrook Clara who was the top cow in the John Greig dispersion in 1947, selling to Ashbourne Farms, La Grange, Kentucky, for \$1750. She has produced several daughters that are the same type and quality she is. A daughter sold in our 1952 sale for \$600 to Clyde Palmer, Harris, Iowa. She will be heavy in calf by sale day to the service of Calrossie Outlook. This should produce a valuable calf.

**TOUCHSTONE BEAUTY 33d**—This cow has been another of the great producers in our herd. She produced Touchstone Beauty 34th SB that was purchased by Byron D. Reser of Walla Walla, Washington for \$1250. This heifer in turn carrying the service of Sandoon Captivator produced Sandstone, the Pacific International Reserve Champion bull, and the Inland Empire Sale Champion top at \$1825. She then produced Cornerstone, the 1953 Inland Empire Champion and top bull at \$2125, going to Mayview Farms, Johnson, Wash. Touchstone Beauty 33d also produced a heifer by Sandoon Captivator that sold for \$855 to Black Belt Farms in our 1952 sale. She sells with a June red heifer calf at foot by Sandoon Captivator, and is re-bred to him. Here is a combination that can't miss.

Roan, John Swanson & Sons

HEATHER BELLE 78th S B—One of those good Divide Defender 2d cows that is a real cow and produces well. One daughter sold in our 1950 sale to Byron D. Reser for \$975, and another daughter sold in the 1952 sale to Black Belt Farms for \$675. She will either have a calf, or be right up to calving by sale day to the service of Calrossie Outlook. This is a valuable female.

## SWANSON SHORTHORN DISPERSION SALE

**DIVIDE SUSAN 8th**—This ideal breeding cow has been a great producer regardless of what bull she was bred to. She produced S F Baron 17th that we used in our herd and sold for \$1000 in our 1952 sale to O. G. McBeath, Catherine, Alabama. She also produced S F Captivator 24th, a prize-winning summer yearling in 1952 that sold in our sale to Alfred J. Petersen, Alpha, Minn. for \$875. An outstanding summer yearling heifer out of her sells. This great cow sells with a real May red bull calf at foot by Calrossie Outlook and re-bred to him.

**SCOTSDALE CHARMING AUGUSTA**—Probably one of the best females of the select group that we added to our herd in 1948 and 1949. This beautifully bred Augusta was acquired from the noted S. G. Bennett herd in Ontario, Canada. She is a half sister by the same sire as the 1948 International Champion, Scotsdale Bombardier, and she is a full sister to Scotsdale Ballast that was used successfully in our herd. She produced S F Charming Augusta that topped our 1952 sale at \$1175, going to Scotsdale Farm in Canada. She sells with an outstanding red April bull calf at foot by Sandoon Captivator, which is a full brother to the above top selling heifer. She is also re-bred to Sandoon Captivator.

S F CHARMING AUGUSTA 2d—Here is something really choice even in a dispersion sale. This beautiful heifer is by Sandoon Captivator, and out of our great foundation cow, Scotsdale Charming Augusta, that also sells. This is one of the good Augusta pedigrees in Scotland. This choice heifer is a full sister to S F Charming Augusta who topped our 1952 sale at \$1175 selling to S. G. Bennett, Georgetown, Ontario, Canada. Who will be the fortunate owner of this heifer? Sells bred to the great sire, Calrossie Outlook.
